

NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION  
GREEN ACRES TAX EXEMPTION PROGRAM

PROPERTY USE ANALYSIS

APPLICATION #:NAME OF PRESERVE (if any):

A. Location of Property (Submit separate forms for each municipality. Add additional sheets if necessary.)

Municipality:County:

If Blocks & Lots are exactly the same as when the property was last certified as tax-exempt, write "NO CHANGE" below.

Block	Lot	Acres

(Add additional pages for items below that require further explanation.)

B. List what segments of the public use your property, how many visitors and how often (i.e., name/group, number and frequency):

C. List the active and/or passive recreational/conservation activities available on your property:

Use the following codes, as applicable, to describe restrictions: OP (Open to the public with no conditions); CP (Closed to the public – explain why); RP (Restrictions on public use – explain, provide schedule); PR (Permit requirements – explain where and how to obtain a permit); UC (User Charge – attach fee schedule); O (Other – please explain).

Activity	Restrictions (if any):	Explanation

D. For activities *not* allowed on your property, please submit a detailed statement describing any restrictions on the public use of the property (e.g., camping, boating, hunting, fishing, day use only, no fires, etc.), and the rationale for the restriction (e.g., suitability of land, sensitivity of natural resources, proper maintenance and improvement of the property, etc.)

E. List each building (if any) on your property and the specific usage:

F. List specific actions, if any, taken by the organization to further the public benefit of the exempted property:

G. Describe any changes in the nature of the property (e.g., buildings, parking, trails, etc. added or removed, tree planting or removal, landscaping, etc.):

H. Submit a copy of the full-size municipal tax map sheet(s) showing the exempt property included in this application. (Please highlight, outline, and/or label the specific parcels.) If provided previously and tax map was copied and labeled clearly and there are NO changes, check box at right. No need to resend maps.

I. Submit a detailed map of the property showing all public access points, parking areas, roads, driveways, trails and points of interest. (An aerial map, survey, or other detailed and labeled map may be used.),

J. Submit recent photo(s) of Green Acres Tax Exemption Program sign(s) posted on the property.
